July 20, 1961

Attention:

25X1

of 3/21/60

For the sum of \$ 3509.66 each, f.o.b. our plant, we propose to furnish material and fabricate 10 Model #1 air-fed incinerators in accordance with specifications #354, dated May 25 and drawing numbers thereon specified.

Price includes motor blower, thermocouple, measuring instruments and accessory equipment.

In addition we include paint-finishing and testing all in accordance with specifications.

We assume that dies for punching louvers, etc. will be furnished us at no cost.

We should like to advise that we are equipped to do the testing in our shop using either 50 cycle current for foreign service or 60 cycle current for domestic use.
